

US Angels – Flower Girl Size Chart

All size charts are body measurements. Make sure you have the child stand tall and look straight ahead when measuring. Also, make sure that they are not tightening or sucking in the waist. Have them be as natural as possible.

The hollow-hem measurement is the number of inches from the hollow in the neck (front of the body) to the hem of the dress. **NOTE:** “Waist” of child (not weight) applies for size charts: 4-6x, 7-16, and Plus. “Weight” of child applies only for size charts: Infant and Toddler.
