# ACCESSORIES

**N**ow that you have purchased your gown, it's time to complete your look. We can help you put the final touches on your wedding gown.

## **THERE ARE A FEW THINGS TO CONSIDER WHEN LOOKING FOR ACCESSORIES:**

- Your hairstyle for your wedding day can determine if you are wearing a veil, headpiece, or both.
- It could also determine what type of earring you will wear i.e. long or short or studs.
- Necklaces and bracelets can also be an additional touch to your look.
- You can also change the look of your dress by adding a sash, straps, or a jacket.
- Most accessories can be purchased off the rack, especially if you are on a tight time frame, but they can also be ordered.

If you can't decide on accessories during your appointment, and the time allows, you can choose accessories at your pick-up appointment for when your gown first arrives. If you don't have the time to wait until your gown arrives, make an accessories appointment during the week to try the sample gown on and choose accessories then.

Remember if you can't find exactly what you are looking for please talk with your consultant about custom changes to veils and optional colors in jewelry and headpieces such as gold, silver, or rose gold.

# BRIDAL ATTIRE CHECKLIST AND TIMELINE

- Pick up tuxedo rentals
- Relax and enjoy this exciting week!

## AFTER THE WEDDING

- Drop wedding gown off at Charlotte's Weddings for gown preservation
- Send photos of your wedding to become a Charlotte's featured bride

# SOCIAL OCCASION GOWNS

**O**nce the wedding gown has been chosen it's time to start coordinating your wedding party. Let us help you create that perfect bridal party look.

## **BRIDESMAIDS**

Start with registering your bridal party with us.

We don't require appointments for bridesmaids, however, we have consultants that can help you and your party find the perfect attire and get everyone measured and assist with sizing.

We suggest ordering 4-5 months in advance of the wedding.

If your time frame is less than 4 months, we offer a rush on most bridesmaid dresses (speak to a consultant for details).

A 50% deposit and a signed contract is required on each gown before ordering.

Please have professional measurements taken and try on sample sizes from your gown designer. Review the size chart and let a professional assist in sizing.

We can ship bridesmaid dresses to your out-of-town bridesmaids for an additional fee.

For more detailed information on How to Order Bridesmaid Gowns please visit our website at [CharlottesWeddings.com](http://CharlottesWeddings.com).

## **MOTHER OF GOWNS**

Moms should start shopping at the same time as the bridesmaids.

Moms can make an appointment during the week to receive extra time and attention.

Bring proper undergarments and let our expert consultants help you find the right gown.

Moms should allow 3-5 months of ordering. Off-the-rack purchases are also available.

A 50% deposit and a signed contract is required on each gown before ordering.

For more information on helping moms, grandmas, and aunts look their best at the wedding, visit our website at [CharlottesWeddings.com](http://CharlottesWeddings.com).

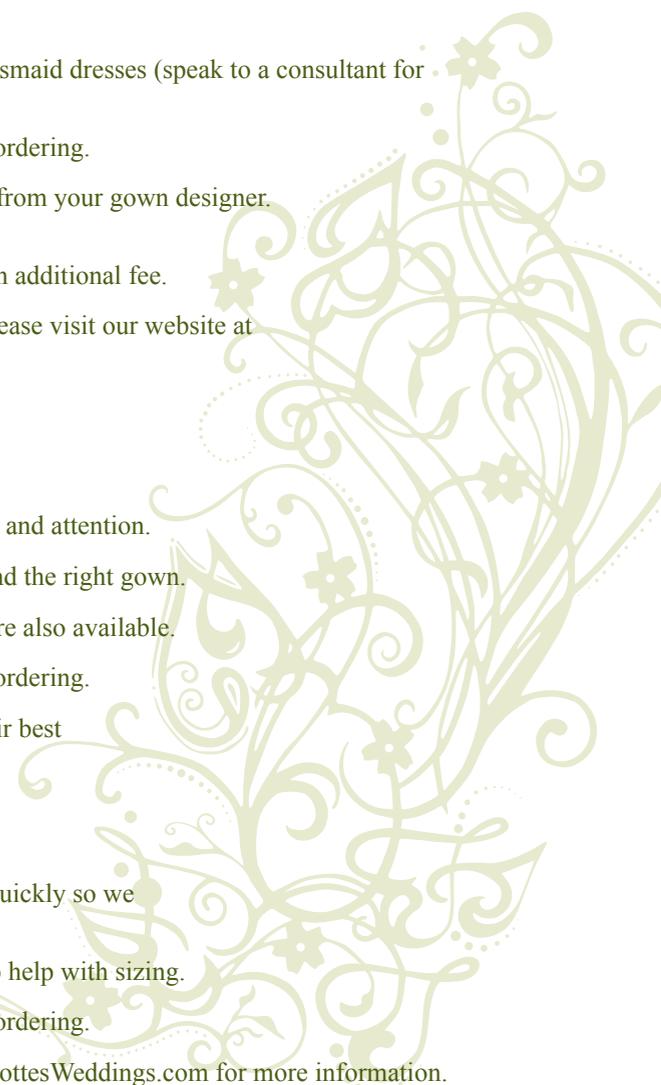

## **FLOWER GIRLS**

We suggest ordering 3 months before the wedding. Children change quickly so we want to order as close to the wedding as possible.

Please bring them in to get measured and try on a sample if possible to help with sizing.

A 50% deposit and a signed contract is required on each gown before ordering.

We have lots of fun options for flower girls. Visit our website at [CharlottesWeddings.com](http://CharlottesWeddings.com) for more information.

# ALTERATIONS

**M**ost formal wear needs some alteration in order to fit perfectly. The seamstresses below specialize in bridal alterations and can put the finishing touches on your gown. Even though none of them are employed by Charlotte's Weddings & More, we feel comfortable including them on this list as they've helped thousands of our brides.

6333 SW MACADAM AVE., SUITE 102, PORTLAND, OR 97239

*They suggest making an appointment and bringing your gown, however, they do take walk-ins.*

*\*Seamstresses recommended for social occasion/informal as well as bridal.*

## ALTERATION TIPS

- Budget for alteration costs: on average wedding gown alterations cost \$300 - \$500. However, every seamstress is different, and depending on your gown, it could cost you less or it could cost you more.
- Schedule your appointment for alterations 8-12 weeks prior to your wedding. Waiting until the last minute could increase your cost with possible rush fees.
- Bring your shoes, slip, bra and all other undergarments to all of your fittings.
- As each gown is unique so is each seamstress. It's important you feel comfortable with the seamstress you choose. Interview your seamstress and make sure they fit with your personality. You will be spending a lot of time with them and it's important for you to get along.
- If for some reason you are unhappy with your alterations please discuss this with your seamstress. If for some reason your seamstress cannot complete the work you are requesting...please ask them for another seamstress who they trust to complete the work.
- At Charlotte's we want your gown to fit and look amazing; however, Charlotte's is not responsible for any alteration issues/conflicts; please discuss this with your seamstress.

# ADDITIONAL SERVICES

**W**e know how stressful and time consuming it can be planning a wedding so we have additional services that we offer our customers so they can get everything done in one place.

## STEAM & PRESS

It's important to get your gown steamed and pressed before your wedding day. We conduct this service in house using a professional iron. We iron everything from the inside out so it's perfect for your wedding day. We place it on a bust form to help keep its shape and we do not place it in your garment bag until you have arrived to pick it up. We will show you how to place it in the bag, how to transport it, and what to do when you get to your destination.

***Drop off of gown(s) must be done one week prior to your pick up date and pressing must be paid in full at the time of drop off.***

Prices are as follows but please bring your gown in or call for a more accurate price quote. Price is determined by style of gown, fabric, difficulty, and time.

Wedding Gown Purchased at Charlotte's	\$100 - \$200
Wedding Gown NOT Purchased at Charlotte's	\$150 - \$250
MOB, BM and FG	\$40 <i>per dress</i>
Veil	\$15

## PRESERVATION

In order for your gown to keep it's shape, color, and the fabric looking new we suggest you get your gown preserved after your wedding. You don't need an appointment; just drop your gown off during our normal business hours. We recommend dropping your gown off no later than 6 months after your wedding to get preserved. We have used the Wedding Gown Preservation Company for over 20 years. Once they have received your gown they will ship your dress to you within 8-10 weeks.

For more details on the process - [GownPreservation.com](http://GownPreservation.com)

### **Cost for preservation:**

Wedding Gown Purchased at Charlotte's	\$275
Wedding Gown Not Purchased at Charlotte's	\$375

Both preservations include the gown, an additional seal kit and five additional items (*i.e. veil, jacket shawl, garter, etc.*)

Additional items after the three can be preserved for \$30 per item

## SHIPPING

We do offer shipping for any item purchased at our store. We can help you ship your wedding gown or bridesmaid dresses anywhere in the U.S. Shipping costs change on a daily basis so you will need to call for a quote when you are ready to ship. NO International Shipping.
