

Casablanca – Bridal Size Chart

Every Bridal gown is available in sizes 0-24. Larger sizes and custom sizes are available for an additional fee. All size charts are body measurements. This designer does many custom changes to make each gown unique, please check with your local retailer on availability.

The hollow-hem measurement is the number of inches from the hollow in the neck (front of the body) to the hem of the dress. Custom hollow-hem is free of charge.
