

Maggie Sottero – Bridal Size Chart

Bridal gowns are available in sizes 0-28. Size 0 is only available with fall 2005 styles onward. Larger sizes and custom sizes are available for an additional fee. All size charts are body measurements.

The hollow-hem measurement is the number of inches from the hollow in the neck (front of the body) to the hem of the dress. Petite length gowns are available at no additional charge. Petite length is only 3” shorter in the front. Body measurements do not change.

Always get measured by a professional. Bridal sizes are different than your normal clothes size.
