

Jade – Mother of the Bride Size Chart

Certain styles are available in different size tops and bottoms. Jackets and tops are considered to be one unit and are not available in different sizes. Larger sizes 20-26 are an additional fee. All size charts are body measurements. Style no. J** and G** have different measurements. The hollow-hem measurement is the number of inches from the hollow in the neck (front of the body) to the hem of the dress.
